

Certificate No.: 1508943

CERTIFICATE OF PATENT FOR INVENTION

Title of Invention: BOARD MADE FROM OIL PALM FIBER AND MAGNESIUM OXIDE AND THE MANUFACTURE PROCESS THEREOF

Inventor (s): Lau Chiu Kam

Patent No.: ZL 2011101930466

Filing Date: July 11, 2011

Patentee: PalmEco Tech Limited

Grant Date: October 29, 2014

Upon examination according to the Patent Law, SIPO has made a decision to grant the patent right for invention, issue the certificate of patent for invention, and register and announce it. The patent right for invention shall take effect as of the date of the announcement.

The duration of patent right shall be twenty years, counted from the filing date. The patentee should pay annual fee for this patent according to the Patent Law and the Implementing Regulations. The annual fee for this patent should be paid prior to July 11 each year. If the annual fee is not paid in due time, the patent right shall terminate from the date on which the time limit for payment of the annual fee expires.

This Patent Certificate records legal status of the patent right when the patent is registered. Any transfer, pledge, invalidation, cessation, restoration of patent right, and changes of patentee's name, nationality, address etc. will be recorded on Patent Register.

Director General: Changyu SHEN
